

RIPE

Outreach/Communication performance

for Membership and Community

RIPE: Community, NCC, Regions

Community:

developed in Western Europe

NCC:

founded to help community

Regions:

different cultures, travel difficulties

Communications and External Relations

Have planned activities,

- more than 16 FTEs, 4,6 FTEs in regions, including “Communications Director for Eastern Europe and Central Asia”
- offices in Dubai and Moscow
- and some more

(see activity plan and annual report for more information)

Communications and External Relations

Why important:

- policy is developed by community - everyone should be able to join process
- entities, affected by policy should be fully aware of consequences

Otherwise,

Communications and External Relations

Why important:

- policy is developed by community - everyone should be able to join process
- entities, affected by policy should be fully aware of consequences

Otherwise, policy is no better, than plans «*on display in the bottom of a locked filing cabinet stuck in a disused lavatory with a sign on the door saying Beware of the Leopard*»

Successful?

Russian Internet business Ombudsman, CEO
of RIPE NCC Member:

-“I’m just paying for IP Addresses”

Not aware of NCC membership, while paying
membership fees.

Not aware of Community, RIPE

Success?

Community in ENOG region:

- low participation in RIPE Community activities
- poor RACI involvement
- low RIPE Atlas distribution
- poor government interaction

Success?

Membership in ENOG region:

- low participation in GM
- little grows in GM participation
- activities are not transparent

Success?

RIPE / RIPE NCC visibility is low

Community suggestions ignored

No local language social media

New connections are not developed

Questions to the board:

- 1) Which objectives have been set by you to NCC for regional outreach?
- 2) Which key performance indicators have been set by you?
- 3) Which key performance indicators are used inside NCC for related departments/activities?
- 4) How community members (including very active ENOG PC) can help you?
